

WAITEMATA DISTRICT HEALTH BOARD

Election of seven (7) Members

Jonathan LEE

Two sectors of our community with high health needs are growing fast– the young and old– with an expectation of improved wellbeing. Our health services have limited funds for facilities and the turnover of staff is cause for grave concern. I believe providing universal health services of the highest affordable standard bonds a community together. Access should be according to need and payment according to means. There needs to be efficient coordination of public, private and charitable resources for optimum utilization with adequate compensation and recognition. And there needs to be effective governance in terms of direction, services, regulatory compliance and appraisal. Jonathan is the director of a North Shore financial services firm, a member of the Institute of Directors, and holds an MSc from the London Business School. He lives in Devonport and is married with two young children. He has no political affiliations. Telephone: 09-445-8660 and website: www.jonathanlee.org.nz.
