## E-Learning

The DHB has several e-learning modules which are also available to LMC midwives. Contact your Educator for more information and to arrange a login (we will need your MC number to generate your login).

<https://koawatealearn.co.nz/>

WDHB purchased the Intellilearn package which includes sections on electronic fetal monitoring & Breastfeeding package amongst others. <http://ilearn.e3learning.com.au>

To enroll email [Midwifery.Education@waitematadhb.govt.nz](mailto:Midwifery.Education@waitematadhb.govt.nz)

Programmes for health care professionals are also available at: [www.learnonline.health.nz](http://www.learnonline.health.nz) Courses are available from the National Screening Unit & Immunisation which are great for midwives and are approved for elective education.
