

# WHERE TO GET A COVID-19 TEST

**Call your family doctor FIRST to get a COVID-19 test.**  
It is completely FREE if you say you're just needing a test. If your family doctor is busy, they will recommend another family doctor that can test you.

**You can also visit a designated GP clinic to get tested.**  
**You don't need to be enrolled to get tested at these clinics.**

**Another option is to visit an Urgent Care Clinic –**  
**some of these are open 24 hours, 7 days a week.**

**Your final option is to visit a Community Testing Centre.**
