

## Ministry of Health – Smoking Cessation E-Learning Tool User Guide

Before you start, enable pop-ups on your computer package.

Go to:

<http://learnonline.health.nz/>

Click through on:  
the Course Catalogue link

Click through on:  
ABC for Smoking Cessation(1)

The screen will then say 'Welcome to e-Learning with the Ministry of Health'

Click through to register. You must do this to record your successful completion and gain a certificate with your name on it regardless of what e-learning course you want to do.

If you are already registered you will also have to log-on you will have to log-on to access the e-learning tools

After registering/logging on a new screen will open. It will say...  
'Welcome to ABC - Smoking cessation in practice.'

Then click through on:

ABC – Smoking Cessation in Practice (If you are a registered health professional)

OR scroll down to:

Helping People to Stop Smoking (If you are not registered as a health provider)

**Good luck!**
